1. Purpose

The purpose of this policy is to set forth procedures to safeguard the collection and maintenance of personal information pertaining to employee records, including hours worked, as permitted or required by law to be collected and maintained. Personnel records, both in manual and automated format, must be maintained with accuracy, completeness, and timeliness. Safeguards should be established to secure the records. This policy clearly assigns employee records management responsibilities to the hiring department, Human Resources, and Payroll.

In addition to compliance with the Department of Human Resources Management (DHRM), Policy 6.10 *Personnel Records Management*, (http://www.dhrm.virginia.gov/docs/default-source/hrpolicy/pol6_10personnelrecordsmanagement.pdf?sfvrsn=2), and Policy 6.05, *Personnel Records Disclosure*, (http://web1.dhrm.virginia.gov/itech/hrpolicy/pol6_05.html), the University's management of employee personnel records adheres to University Policy 4080, Release of Human Resources Records and Select Employee Information, (<http://www.policies.vt.edu/4080.pdf>), describing the university's release of official records under *The Virginia Freedom of Information Act* and the *Privacy Protection Act of 1976*.

2. Policy

The hiring department (department) is responsible for maintaining files on employees. It is the intent of these guidelines to clearly communicate responsibilities for maintaining and safeguarding records at the department level and central Human Resources.

Personnel records are to be maintained in a secure location, and access to the information in them is to be restricted only to authorized department representatives. All employee manual and automated record systems must be maintained in a manner that safeguards the records from disclosure to others in compliance with University Policy 4080, Release of Human Resources Records and Select Employee Information (<http://www.policies.vt.edu/4080.pdf>), DHRM Policy 6.10, *Personnel Records Management* (http://www.dhrm.virginia.gov/docs/default-source/hrpolicy/pol6_10personnelrecordsmanagement.pdf?sfvrsn=2),

and DHRM Policy 6.05, *Personnel Records Disclosure*
(http://web1.dhrm.virginia.gov/itech/hrpolicy/pol6_05.html).

2.1 Hiring Department Responsibilities

2.1.1 Recruitment and Selection Records

For each position (both salaried and wage), the department must retain interview and selection records in compliance with the state records retention schedules. Records that should be maintained include:

1. screening documentation/matrix;
2. interview questions and answers;
3. copy of work sample and response, if applicable;
4. reference check letters and documentation;
5. selection notes, including reasons for non-selection of each applicant;
6. any relevant communication with candidates;
7. advertising and recruiting efforts; and
8. any other recruitment-related documents.

The university's central applicant tracking system, managed by Human Resources, will serve as the system of record for application materials, including resume and other documents submitted with the application. Departments are responsible for dispositioning all applicants in the applicant tracking system at the conclusion of a search.

2.1.2 Salaried Personnel Records

The hiring department must establish and retain a file in compliance with the state records retention schedules (<http://www.lva.virginia.gov/agencies/records/retention.asp>) for salaried employees that includes employment-related documents such as hiring, promotion, evaluation, and disciplinary actions. Employees may request copies of the information maintained in their file, per the employee handbooks. Information maintained should include, but is not limited to:

1. a copy of the employee's application or resume;
2. a copy of the employee's offer letter;
3. any documentation of employee performance created outside the university's electronic performance management system;
4. original transcript with official raised seal from the institutional source (required for all faculty who will be teaching).

A Certificate of Records Disposal (<http://www.lib.vt.edu/urig/destroy-form.html>) must be obtained from University Records & Information Governance (<http://www.lib.vt.edu/urig/index.html>) before final destruction.

2.1.3 Wage Personnel Records

Wage personnel records must be retained in compliance with the state records retention schedules (<http://www.lva.virginia.gov/agencies/records/retention.asp>) by the university. A Certificate of Records Disposal (<http://www.lib.vt.edu/urig/destroy-form.html>) must be obtained from University Records & Information Governance (<http://www.lib.vt.edu/urig/index.html>) before final destruction.

Human Resources does not establish individual personnel files for wage employees. The hiring department has primary responsibility for the establishment and maintenance of the following records:

1. any record describing the wage employee's job responsibilities and tasks (i.e. the Wage Appointment Form P117 (<http://www.hrapps.hr.vt.edu/resourceguide/docs/forms-library/P117.pdf>));
2. a copy of the employee's application or resume;
3. a copy of the employee's offer letter (with the exception of emergency and sporadic hires);
4. any documentation of employee performance, if the department has an evaluation process;
5. the Wage Employment Information Supplement (P12W) form (<http://www.hr.vt.edu/forms/procedures/nonstudentwage/>); and
6. original transcript with official raised seal from the institutional source (required for all faculty who will be teaching). (See University Policy 4296, Adjunct and Wage Faculty Payments (<http://www.policies.vt.edu/4296.pdf>)).

Wage employee personnel records should include only employment-related documents such as employee history including hiring, promotion, evaluation, and disciplinary issues. Employees should be given copies of the information at the time it is placed in the file.

2.2 University Central Administrative Office Responsibilities

2.2.1 Human Resources Responsibilities

Human Resources will establish a personnel record in an electronic or paper format based on hire date.

The following personnel records must be retained in compliance with the state records retention schedules (<http://www.lva.virginia.gov/agencies/records/retention.asp>) by the university. A Certificate of Records Disposal (<http://www.lib.vt.edu/urig/destruct-form.html>) must be obtained from University Records & Information Governance (<http://www.lib.vt.edu/urig/index.html>) before final destruction. Human Resources will maintain records including:

2.2.1.1 Salaried Employee Personnel Records

Contents of the Central Personnel File for employees should include:

1. signed offer letter (staff) or Terms of Faculty Offer (faculty);
2. salary information – including any processed salaried transactions and supporting documentation;
3. retirement election;
4. health insurance election and supporting documentation;
5. life insurance election;
6. leave plan election where applicable;
7. acknowledgement of policies/handbook; and
8. Written Notices/Standards of Conduct.

2.2.2 Payroll Department Responsibilities

The Payroll Office will maintain the following records for both salaried and wage personnel.

2.2.2.1 State and Federal Withholding Forms

State and federal withholding forms must be retained in accordance to state and federal records retention schedules by the university. All active state and federal withholding forms are centrally maintained by the Payroll Office for one year from the date last worked. Purged forms are submitted to University Records & Information Governance (<http://www.lib.vt.edu/urig/index.html>) on a fiscal-year basis to be maintained for additional time required, then properly destroyed.

2.2.2.2 I-9 Records

The hiring department is responsible for completing the electronic Employment Eligibility Verification Form (I-9) (<http://www.controller.vt.edu/resources/payroll/onlinei9.html>), or, if the electronic system is unavailable, completing and submitting the hard copy form (<https://www.uscis.gov/sites/default/files/files/form/i-9.pdf>) to Payroll to be maintained. I-9 records are maintained by the Payroll Office in accordance with state and federal regulations.

3. Procedures
