1. Purpose

This policy exists to provide students on the Virginia Tech campus with a routine and manageable way to form organizations and to provide the university community with accurate information about the various organizations affiliated at Virginia Tech.

2. Policy

A **Registered Student Organization (RSO)** is a voluntary association of Virginia Tech students that has no direct relationship to the university but upon completion of registration documents is entitled to certain privileges to include operating, meeting, advertising, and participating in activities on the Virginia Tech campus. These organizations would be affiliated “at” Virginia Tech, such as Car Club at Virginia Tech.

2.1 Documentation

Associations of Virginia Tech students shall be required to file proper documents and agree to abide by all procedures and policies that are established by the university regarding Registered Student Organizations (RSOs).

2.2 Approval

1. RSOs of Virginia Tech students must file registration documents and agree to abide by the Standards of Registration that are established by the university.
2. The Student Engagement and Campus Life (SECL) Department, on behalf of the university, shall grant registration to any association which meets these standards of registration.

2.3 Constitution

1. The RSO shall not be required to maintain a constitution.
2. If an RSO maintains a constitution, the university shall not require knowledge or approval of amendment procedures.

3. The SECL Department will maintain copies of constitutions on file at the request of the RSO.

2.4 Applicability of the Virginia Public Procurement Act (VPPA)

1. The university shall not enter into contracts on behalf of a RSO and shall not allow RSOs to represent themselves as agents of the university.
2. The VPPA shall not apply to the contracts or purchases of RSOs.

2.5 Sources of Funding and Location of Accounts

The RSO shall maintain all financial accounts at a financial institution of its choice and shall not maintain accounts in SECL Student Organization Accounting unless otherwise approved by the director of SECL. RSOs are eligible to apply for funding from the Student Budget Board.

2.6 Tax Identification and Status

1. It is the responsibility of each RSO to establish its Internal Revenue Service tax identification number and classification.
2. The RSO shall not use the university tax identification number at any time.
3. The university does not require filing for tax status or classification with the IRS but will assist organization by providing forms and information.

2.7 Use of University Name

The RSO shall not represent itself as an agent of the university or use names, logos, symbols or seals of the university without the expressed written consent of the university.

2.8 Adviser

1. The RSO shall not be required to maintain a faculty/staff adviser.
2. Should a faculty/staff member agree to serve as an adviser/coach to a student organization, that person is protected by the university liability coverage only if the appointment is assigned as a part of their duties and responsibilities as an employee of the university by the adviser's department head or senior manager and is verified on the registration form.
3. RSO advisers who are not employees of Virginia Tech do not have university liability coverage.

3. Procedures

The RSO is required to annually submit registration forms to Student Engagement and Campus Life no later than the fourth Friday of classes in the fall semester. The SECL Department will review and record all completed registrations for inclusion in the student organizations database.

RSOs that need to update or change registration information should contact the SECL Department for the proper forms.
