ACCOMMODATION OF STUDENTS, EMPLOYEES, AND APPLICANTS WITH DISABILITIES

Virginia Tech is committed to ensuring that all qualified individuals with disabilities have the opportunity to take part in educational and employment programs and services on an equal basis. The aim is to provide this opportunity in an integrated setting that fosters independence and meets the guidelines of the Americans with Disabilities Act (ADA) and the Rehabilitation Act of 1973.

Reasonable accommodations are made on an individual and flexible basis. Appropriate services may include 1) support, counseling, and information, 2) academic assistance services, 3) referral services, and 4) environmental modifications. However, it is the responsibility of individuals with disabilities to make their needs known and to provide documentation of a disability. It is the responsibility of the faculty or supervisor to comply with accommodation requests made by appropriate university offices. Appeals of requests may be made through procedures stated in Policy 4075 (for applicants and employees) and in University Policies for Student Life (for students).

Virginia Tech ensures equitable access through: (Updated 12/08/2008)
